EL-868

現今都市人生活緊張，工作壓力煩重，身心疲累。腰背痛便是其中一種非常普遍的都市痛：座椅未能承托背部，坐姿不正，長時間站立，缺乏運動等，這些都是腰背痛的成因。

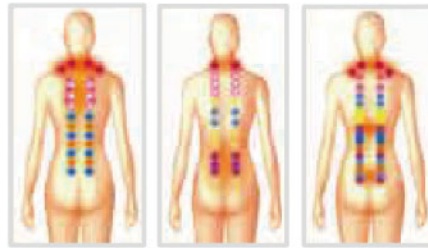

Urban people live and work under heavy stress nowadays, exhausting their body and mind. Back and waist pains are common problems that arise from inadequate chair support, poor sitting postures, long hours of standing, and a lack of exercise.

Why OTO e-Lux?

OTO 腰背鬆 為家中的座椅注入按摩椅的精粹，讓您隨時隨地享受到有如按摩師的推拿、揉捏按摩的靈巧手法，鬆弛背、腰每一寸的肌膚。

OTO e-Lux turns your seat into a mini massage chair, enabling you to enjoy rolling and kneading massages that simulate the ones by the masseur whenever you want, and pampers every inch of your body.
